Swim Lessons Programming

All group placements are at the sole discretion of Pine Crest's swimming instructors

IN-SCHOOL SMALL GROUP LESSONS

Open to Pine Crest students in grades Pre-Kindergarten, Kindergarten, and First Grade. Students are taken to the pool in place of their PE class twice per week. Swimming instructors help the students get changed for the pool before instruction. Swimmers are taught in small groups, and then returned to their classroom by the end of the PE period. Instructional days depend upon student's grade. \$85 per month..

AFTER-SCHOOL SMALL GROUP LESSONS

Open to ages 3 to 9 for both Pine Crest and non-Pine Crest children. Lessons are available Monday through Thursday afternoon with classes running from 3:00pm to 3:30pm, 4:00pm to 4:30pm, or 4:30pm to 5:00pm. Enrolled Pine Crest students who sign up for the 3:00pm class will be picked up from their classroom by a swimming instructor. Pine Crest instructors cannot pick up students signed up for the 4:00pm or 4:30pm lesson. Special Learn-to-Swim classes are available for those children ages 3–5 years old teaching water safety and the introduction of free-style and backstroke. PARENTS MUST PICK UP ALL SWIMMERS FROM THE POOL DECK AT THE CONCLUSION OF THEIR LESSON.

\$55 per month for one lesson each week, or

\$85 per month for two lessons each week.

PRIVATE LESSONS
