PRIVATE COACHING

There are two types of Private Coaching available to campers. Our standard Private Coaching service is five 30-minute sessions of one-on-one instruction with the private coach. Video Coaching is a step beyond Private Coaching. Before their one-on-one sessions begin, the swimmer is filmed, and a 20-minute personalized stroke video is produced. The DVD utilizes stop-motion, slow-motion, and audio voice-over to fully examine the swimmer's technique. The swimmer leaves camp with the DVD in hand to review and learn from at home.
